

Homeless Persons Week

2nd - 8th August 2009

Where do they Go?

Homeless people do not just sleep visibly in parks, alleys and under bridges. Most are *invisible*. They 'couch surf' between relatives and friends. Thousands more live in cars, sheds, caravans and boarding houses.

The majority of people who are homeless or at risk of homelessness have experienced significant trauma.

If you **Dare to Care** then **JOIN US** in a **community walk** to support the homeless.

Starts: Noon

Where: Forrest Place,
Perth City

Date: Saturday 8th
August 2009

If you dare to care, register your attendance by emailing reception@communityhousing.com.au or call **08 9221 7933**.
