Community Housing
INDUSTRY ASSOCIATION

Dear CHIA member

CHIA has successfully built a national membership base and staked its claim as the national voice of community housing organisations, big and small.

Now we need your help to consolidate and expand our impact with two key priorities for 2018/19:

1. finalising and implementing a national industry development strategy that will equip our sector to survive and thrive
2. driving service quality improvements through updating and implementing community housing standards.

You can assist our national advocacy efforts as a **Gold Foundation Member**, which involves paying an additional \$10,000 fee for the financial year, or as a **Bronze Foundation Member**, which involves an additional \$2,500 investment.

Your generous support will be acknowledged in several ways:

1. your organisation's name will be included on our letterhead and PowerPoint presentations
2. your hyperlinked logo will be promoted on the homepage of CHIA's website
3. your organisation will enjoy free access to CHIA events
4. CHIA can provide you and your staff with a special annual briefing on key national issues impacting community housing.

To apply to become a Foundation Member, contact David Hand at info@communityhousing.com.au or call 02 6232 5043
