Summary

(Application executive summary: why the applicant should be a Panel member, and be selected to assist CHOs apply for NHFIC a product)

Jamie is Nexia Edwards Marshall's Managing Partner and the Partner responsible for the firm's audit and assurance services division. He is experienced in the provision of accounting and assurance services to a variety of clients.

Jamie's many years of experience has ensured that he has specialist knowledge in providing assurance services to a range of organisations including those in community housing, finance, education, healthcare, wholesale and retail trade, manufacturing and community services.

In addition to Jamie's audit roles, he is an experienced company secretary. Jamie was the company secretary for an ASX listed entity for many years, providing governance and financial advice during that time. He has served and continues to serve on the audit committees for a variety of entities including large state government departments in health and family services. He is a former board member of the Nurses Board of South Australia & Repatriation General Hospital.

Sector knowledge

(Demonstrate understanding of CHOs' operating environment. Evidence will include, but not be limited to, providing consultancy services to CHOs)

Jamie undertakes assurance engagements for a large number of clients across a range of industries. Jamie has a number of clients within the community housing industry. Jamie has facilitated training on accounting standard updates for a group of Community Housing Organisations.

A specialised audit Partner, his services include external audit, risk management, accounting system, reviews, financial reporting and technical advice, international financial reporting standards and corporate governance.
